PROFILE

Hello! I'm Prasad Shaswat, a student at Parul University with a solid foundation in web development. My skills include HTML, CSS, and JavaScript, and I'm expanding my expertise with Bootstrap and Tailwind CSS.
I have a passion for creating dynamic, responsive websites and aim to build engaging, user-friendly applications. I'm excited to leverage my skills in innovative projects and collaborate with professionals in the tech industry.
Feel free to connect with me to discuss web development and collaboration opportunities!

PROJECT EXPERIENCE

Shaswat Portfolio
Project Link:
https://prasadshaswat.github.io/shaswat_protfilo/

Built a personal portfolio using HTML, CSS, and JavaScript to showcase my skills and projects. Features responsive design, interactive elements, and a modern UI with a contact form.

Bank UPSC and GATE Preparation Website
Project Link: https://prasadshaswat.github.io/upsc-gateprep/index.html

Developed an educational site for Bank, UPSC, and GATE exams using HTML, CSS, and JavaScript. Includes exam info, study resources, practice tests, and a user-friendly, responsive design.

These projects highlight my front-end development skills and ability to create engaging, user-friendly websites.
